Solihull
METROPOLITAN
BOROUGH COUNCIL

Solihull Council can help you make savings on your gas and electricity bills.

Solihull Council and its partners are committed to trying to find you a cheaper energy provider.

Take the hassle out of looking for a better deal on your gas and electricity.

Register your interest and after 23 October 2017 we'll let you know whether you can get a better deal from a different provider.

There's absolutely no obligation to switch but it's all about saving money for you, our residents!

You don't have to live in Solihull to be part of the scheme, so spread the word. The more people who register, the better. In previous schemes the average savings offered per household were £267 a year.
