**Subject:** RE: Planning Consultation for 24A Meriden Road

Dear Hazel,

I refer further to the attached planning application that has been received.

The application states that evidence should be supplied to show the issue. I cannot see from the documents provided that a sketch plan has been included within the application. As the applicant has not fulfilled the conditions detailed in item 5 we recommend that this application be refused.

I look forward to hearing from you should you have any additional documentation that would alter this stance.

Kind regards.
