Reasons for comment:

Comments: The Parish Council is concerned that the subject building referred to in this application does not itself seem to have been subject to a planning application. PL/2020/02668/MINFHO - 71 High Street is for a similar type of construction in the Conservation Area and is a full application whereas 6 Butchers Road is for CLEUD and we wish to question whether permitted development rights do, in fact, apply.

Subject to this clarification the Parish Council has no objections to make.

Kind regards
