Appeal Reference APP/Q4625/W/21/3275290 - Motorway Service Area at new Junction 5a M42 at Catherine de Barnes

The Parish Council wishes to give its unqualified support to the decision reached by the Planning Committee of Solihull MBC and detailed in its Outline Planning Decision Notice dated 12th March which was a unanimous refusal of the original Planning Application PL/2015/51409/PPOL.

In addition to the reasons given in the Decision Notice the Parish Council believes the siting of this proposed development will significantly compromise:

- a) the future operation of the new link road from the new M42 Junction 5a to the Clock Interchange as part of the M42 Junction 6 Improvement Scheme and currently under construction and,
- b) the safe operation of the Active Traffic Management scheme of the M42, a system which is the subject of much critical debate.
