locations across Solihull

18-21 FEBRUARY 2022

LOCATIONS ACROSS SOLIHULL

Solihull Council are looking for volunteer Culture Makers! Can you help make Solihull a vibrant, creative place with culture at the heart of the community? Then come join us!

You don't need to have had any kind of experience or skills - we'll train you in everything you need. This would be a great experience for someone who wants to enrich their own cultural life as well as wanting that enrichment to be available to anyone in the borough. Possible roles include site preparation/decoration, event stewarding, and performing.
