Dear Sir/Madam

**Proposed New Traffic Regulation Order – Berry Hall Lane, Solihull**

I'm writing to inform you about the council's proposals to introduce a new Traffic Regulation Order (TRO) on Berry Hall Lane.

Through the council's annual Traffic Regulation Order framework, Berry Hall Lane was prioritised to be considered for the implementation of a one-way traffic flow in response to concerns around the narrow carriageway width and potential conflicts with other road users.

The resultant scheme following investigation is a proposed one-way working between Henwood Lane and Ravenshaw Lane in a north westerly direction only, and a 20 mph maximum speed limit to help control traffic speeds.

In summary, this proposal seeks to address the current conflict of two-way traffic and vulnerable road users on this narrow rural lane. It is noted that the road has few passing places for two-way traffic to give and take and is a popular pedestrian route.

The necessary Traffic Regulation Order will be formally advertised on 17 February 2022. Anyone wishing to support or object to the proposals should apply in writing to Mr Lee Stevenson, Resources Directorate, stating the grounds on which the representation is being made by no later than 10 March 2022 at either the address given above or via email to [tro@solihull.gov.uk](mailto:tro@solihull.gov.uk).

Any representations received during the 3 week statutory consultation period will be considered after the above date, before a final decision is made. Further details can be obtained by visiting Solihull Connect, The Core, Theatre Square, Touchwood, Solihull during normal opening hours or via <https://www.solihull.gov.uk/Roads-pavements-and-streetcare//Traffic-regulation-orders>

Yours sincerely

*S. Hawley*
