Dear Planning Department,

We are conscious that this is a large extension in Green Belt, and that strong objections have been raised by at least one neighbouring property. We would ask that you give serious consideration to the points they have raised. The Parish Council does not propose objecting to the extensions per se, but would strongly recommend conditions to ensure that any new windows overlooking neighbouring properties are frosted, and that the outbuildings should not at any future point be extended for use as living accommodation.

Kind regards.

Julie Barnes
Clerk for Hampton-in-Arden Parish Council
