### Comments Details

Commenter Type:	Councillor
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments: The site of this planning application is within the Hampton in Arden Conservation Area. The application does not give any indication or justification for the removal of tree numbered T1, which is well used by local bird life and on this basis the Parish Council objects to its removal.

We do not have the expertise to comment on the necessity to remove 3m of the crown on T2 and request that no planning decision has been made until the tree has been assessed by an SMBC or consultant arboriculturist.

Kind regards
