

# Notice of traffic management on A452/A446 - Bickenhill

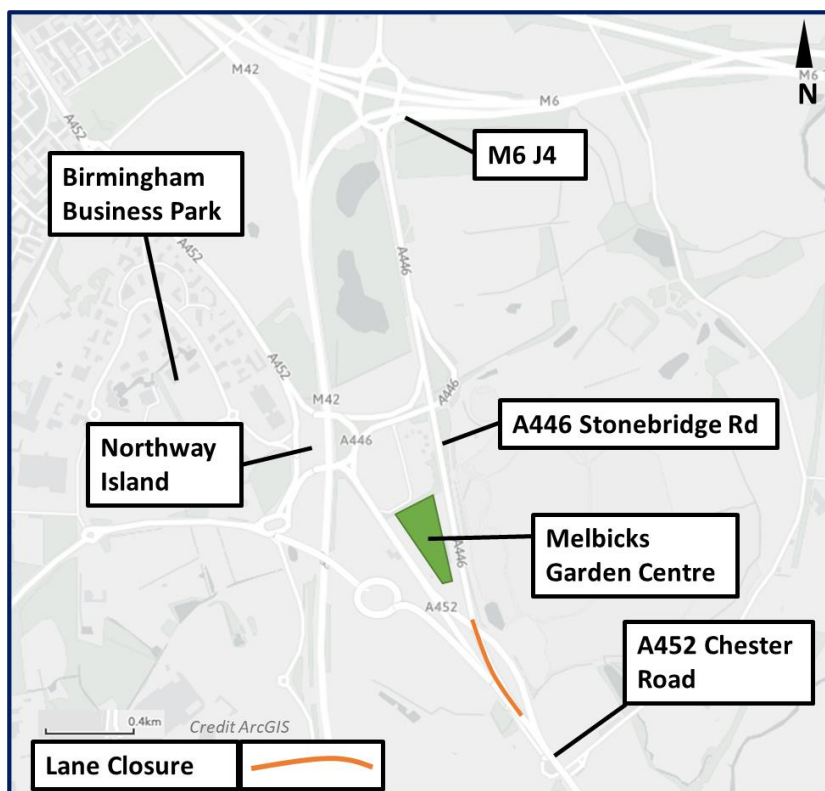

June 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

## The work we will be doing.

In preparation for the construction of the new railway, BBV have been diverting a number of utilities in the area to ensure that our works do not interrupt the supply. This work has now largely been completed in this section however some remedial work will need to be carried out in the verges adjacent to where the A452 joins with A446. In order to do this safely we will need to close one lane of the road on 31 July and on 1 August. To minimise disruption this work will be carried out off peak between 9:30am and 3:30pm.

## Location Plan

### Duration of works

31 July and 1 August between 9:30am and 3:30pm.

### What to expect

Low level of noise following our work.
