

Notice of road closure, B4102 Meriden Road, Solihull

HS2-BBV-27-1758

Location

Meriden Road, B4102 Solihull

Duration

We will close Meriden Road overnight on **Tuesday 10 March 2026** and **Wednesday 11 March 2026**. The road closure will be in place between **8pm and 6am**

What we are doing

We need to carry out essential work on the carriageway and verges so that we can reinstate two-way traffic on Meriden Road. We also need to realign the temporary safety barriers and renew the road markings. The closure is required so that we can complete this work safely.

What to expect

A fully signposted diversion route will be in place throughout the closure. There will be increased construction activity during the closure, and you will experience some disruption to your travel times. Please plan ahead to avoid delays to your journey. Access to properties, for pedestrians and cyclists will be maintained during the closure.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Additional information

The works were identified during the closure of Meriden Road during the week commencing 23 February when we lifted the beams onto the River Blythe Viaduct. When complete, these works will allow Meriden Road to return to two way traffic, with traffic lights operating the plant crossing only. If our work progresses well, we will reopen the road as soon as it is safe to do so.

We will need to close Meriden Road again in June 2026, so that we can install the parapets on the viaduct over Meriden Road. Further details will be circulated as soon as they are confirmed.
